

LLM Trustworthiness

The diagram features a large grey triangle at the top with the text 'LLM Trustworthiness' in white. Below the triangle is a horizontal row of seven green rounded rectangles, each containing a different aspect of trustworthiness. The rectangles are: Reliability, Safety, Fairness, Resistance to Misuse, Explainability & Reasoning, Social Norm, and Robustness. Each rectangle has a small colored triangle at its bottom-left corner: orange for Reliability, Safety, and Social Norm; blue for Fairness and Explainability & Reasoning; and pink for Resistance to Misuse and Robustness.
